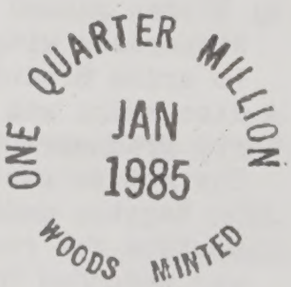
FREE WOOD OF THE MONTH: Thanks are due this month to Jim Deluney, manufacturer ofwooden nickels, for his donation to fellow members of CAWMC. Remember that if insufficient wood is available of one issue, we substitute with other wood on hand. Lately we are using about 210 wood. They are printed in black.



ARTICLES FOR TIMBER TALK: Thanks to those members who have submitted articles for Timber Talk. I have received articles from one paragraph to over a page in length. This helps to make the newsletter more interesting to all members and gives individual members a chance to participate in CAWMC. The articles are kept on file and are printed as space permits. Just because I have a few on hand doesn't mean that you should't send one in!

CLASSIFIED ADS: At the discretion of the Editor ads are printed free of charge as space permits. The only requirement is that they be wood oriented. Why not place a 'For Sale,' 'Wanted' or 'For Trade' ad in Timber Talk? I am sure that each of us could compose an ad or two.

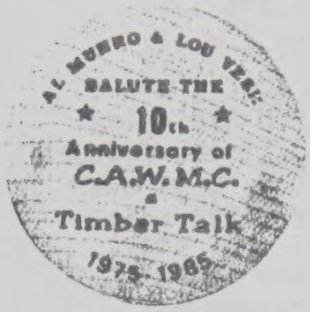
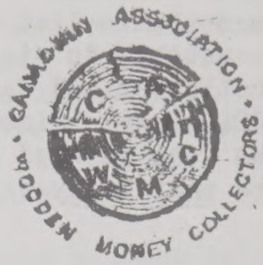
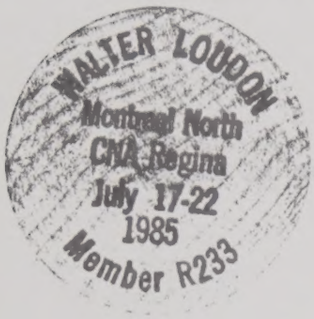
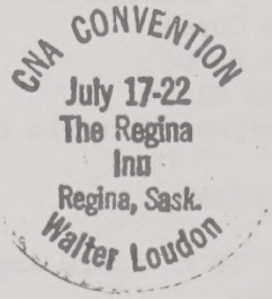
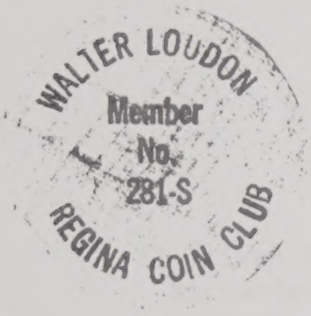
FREE WOOD OF THE MONTH: I have received a few requests to let the members know what wood we have on hand that has not been distributed thus far via Timber Talk. In particular one member commented that he does not have the wood to fill individual orders that he is receiving. The collectors were not aware that they would be receiving one in Timber Talk. Another comment was that a collector would not request wood that he knew he would be receiving via Timber Talk - the other side of the coin. Therefore below you will find pictures of the wood on hand, except for some Calgary Numismatic Society wood, plus one private issue that is known to only a handful of collectors. The wood on the left immediately below will be the free wood next month.

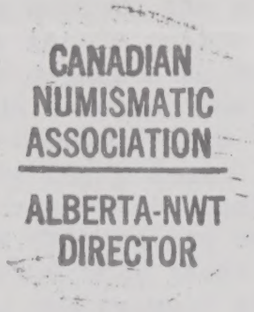












If you had donated a wood, it could have been shown here.

I hope this helps everyone.

ENCLOSURE: With this issue if Timber Talk you will find an information brochure from the International Organization of Wooden Money Collectors (IOWMC) - the first wood club formed. Personally I am a member and have been since before CAWMC was founded in 1974. Thanks goes to CAWMC member Ted Wolverton.

FOR TRADE ONLY: I recently received the wood shown at the right that Louis A. Savoie of Box 34, Lower Neguac, New Brunswick EOC 1MO, issued. He advises that only 100 were issued. You may wish to write to Louis and see if a trade can be worked out. The 'NYSWMS' side is in purple, with the othr side in black, except for 'White Star' which is in blue.

FOR SALE: by CAWMC Member John Cheramy - Box 5214 - Station 'B', Victoria, B.C. V8R 6N4- 100 different wood for $29.00. On orders of less than $100 add $1.00 postage and handling and if a resident of British Columbia add 7% Provincial Sales Tax. Deduct 25% if paying in U. S. funds. Visa, Mastercard, personal cheques and money orders accepted. Some individual woods John is offering for sale are listed below.
